Pricing

Prices include the cost of the printing or embroidery of the SDRP logo. There is no tax added because your purchase is a donation to the San Dieguito River Park. Additional shipping charges will apply. See Shipping below.

Tax-Deductible Donation

Your purchase is a donation. You may take a tax deduction for the portion of the purchase above the manufacturer's cost of the item. Please calculate that 80% of the price is the manufacturer's cost for the item, and the remaining 20% is the portion of your purchase that is a donation to the San Dieguito River Park.

Shipping

We would like to ship your products to you, but because we are a big park with a small staff and to help us save time and money, we would really appreciate it if you would pick up your order at our Park Headquarters (18372

Sycamore Creek Road, Escondido, CA 92025). We will contact you to schedule a pick-up time once your order is ready.

However, we will ship your order upon special request. Additional charges will apply. Please contact us for more information before placing your order.

Park Volunteers

Park volunteers have the option of purchasing additional merchandise with special "Volunteer" or "Trail Patrol" printing (no additional cost). If you are buying gear as a volunteer or trail patroller, please let us know in the comment box to ensure that your merchandise is printed appropriately. We will process your order once we verify you are a Park volunteer.

Product Availability

Although all products are marked as available, we might not necessarily have that particular item or size in stock. We would have to place additional orders with our supplier. If so, it might take a bit longer than normal for you to receive your order. We will keep you posted if this does happen.
